WELCOME MESSAGE FROM STEPH BAUER

Welcome to the Inanda Cup

The Inanda Cup has become a cornerstone of our Summer Sports Festival, and we are delighted once again to host this exciting event in our outstanding aquatic facility. This tournament brings together some of the most promising U14 water polo players in Gauteng, offering a platform for young athletes to showcase their talent, resilience, and love for the game.

At St David's, water polo has grown from strength to strength. We are proud of how the sport has taken root in our community and how it continues to shape the character and confidence of our boys. The Inanda Cup is more than just a competition; it is a celebration of the journey these young sportsmen are on, both as athletes and as individuals.

This weekend is about testing limits, learning from one another, and embracing the challenges that come with high-level competition. While winning is always a goal, our deeper purpose lies in developing players who are not only skilled in the pool but also grounded in values such as teamwork, humility, and perseverance.

We are reminded of the importance of creating an environment where schoolboys can play with passion, freedom, and without fear of failure. Let us continue to foster a spirit of respect, camaraderie, and joy in the game values that will serve these boys far beyond the final whistle.

To every player stepping into the water this weekend: play with courage, play with heart, and play for the love of the game. Let this tournament be a reminder that greatness is not only measured by the scoreboard, but by the character you show, the friendships you build, and the lessons you carry forward. Dive in, give your all, and enjoy every moment.
