1941

The St David's Old Boys' & PTA Golf and Padel Day brings together Old Boys, parents, staff, friends and the wider St David's community for a day of connection, competition and camaraderie.

The addition of padel broadens the event's appeal, creating new opportunities to connect while enhancing the networking experience that has become a hallmark of the day.

More than a sporting event, this is an opportunity to align your organisation with the values of humility, service, family spirit and excellence that have defined St David's for more than 85 years.

Thank You

If cash partnerships are not your thing, we welcome prize and product partnerships.

For brands looking for greater exposure, we can also create combined packages across the Golf and Padel.

The Golf Day will have 128 players (32 fourballs) and the Padel will have 64 players (32 pairs).

It's going to be a special day!
