

INANDA'S CALL

December 2025

KALAMAZOOMBA!

Dear Old Boys,

My name is Savo Cefrnich (Class of 2003) and it is a privilege to serve as the Stakeholder Manager at St David's Marist Inanda. My role places me at the intersection of our past, present, and future, connecting with our Old Boys community, supporting meaningful engagement, and ensuring that the Marist Spirit continues to flourish well beyond the school gates.

Since joining the school in July, I have focused on expanding and enriching the relationship between the school and our Old Boys community. Over the past months, I have worked to strengthen communication channels, reintroduce meaningful traditions, and create opportunities for reconnection.

Some of the key initiatives include:

- Revitalising the Old Boys communication platforms, including this newsletter, to ensure regular, relevant, and enjoyable updates.
- Planning and coordinating regional Old Boys gatherings, giving Old Boys across the country and abroad more opportunities to reconnect.
- Showcasing our alumni through spotlight features and social media, helping celebrate the achievements and contributions of our Old Boys.
- Building new engagement opportunities, from networking and mentorship ideas to future events that bring our community closer.

These steps are just the beginning. I am grateful for the support and enthusiasm shown by so many of you and look forward to shaping even more meaningful experiences together.

You are welcome to contact me on oldboys@stdavids.co.za

Here's wishing you all an amazing Festive Season - see you in 2026!

2025 HIGHLIGHTS

The second half of 2025 was a busy time for the Old Boys with numerous events taking place between August and November.

The Matric Right of Passage saw more than 25 Old Boys participate, imparting words of wisdom to the newest group of Old Boys.

October saw us travel to the Western Cape for two reunions, one in Cape Town and one in Stellenbosch. We were able to engage with more than 60 Old Boys, ranging from 1972 to 2024.

We hosted our annual Golf Day on Friday, 24 October 2025 at the beautiful Wanderers Golf Club with a packed field of 112 players with a large amount of Old Boys present.

'First Thursdays', as the name suggests, takes place every first Thursday of the month. These informal gatherings have proven to be very successful. We are grateful to Milk Bar, owned by Rob Laing and Andrew Harris (Class of 1994), for hosting us.

The Old Boys' Weekend has been confirmed for 4-6 June 2026, we will also send you more information about other events planned for next year, in due course.

THE UK CHAPTER

The UK Chapter of the St David's Marist Inanda Old Boys Global Alumni network focuses on connecting alumni from multiple generations, sectors, industries and backgrounds in the United Kingdom.

Formal and informal networking and community events are hosted throughout the year, providing a forum for alumni living in the UK to stay in touch with each other and the school.

These events serve as important touch points for Alumni to share their experiences, advance their careers and access Mentorship as well as business opportunities.

The UK Chapter also provides a channel for UK-based supporters to invest in and financially contribute to the school by way of bursaries and the Foundation, via a UK registered charity, and provides updates on school developments and initiatives digitally to its members.

PAST. PRESENT. PROUD.

We launched the 'Past. Present. Proud.' campaign and this has seen some incredible engagement from the community.

The goal is simple: highlight our Old Boys. The plan is to focus on a variety of our old boys from different backgrounds, showcasing the school's diversity. We would like to create awareness for our Old Boys, build legacy and bring them back to the school.

If you would like to participate or if you think one of your classmates should be interviewed, please mail us on oldboys@stdavids.co.za
