FROM THE CHAIRMAN

On behalf of the Trustees, it is my great pleasure to present the 2024 Annual Report for the St David's Marist Foundation to you. This report covers the financial year ended 31 December 2024 and includes extracts from the audited Annual Financial Statements.

In this the 18th year since the establishment of the Foundation, I begin this report as always with a reminder of the main object and purpose of the Foundation, as set out in the Foundation's Trust Deed.

The main object of the Foundation is to receive donations from third parties for the purpose of furthering the education objectives and strategic development of St David's Marist School, situated at campuses in both Inanda, Sandton and Alexandra township. The Foundation's main object includes the promotion of the common interests as well as the transformation of the School and ensuring we give young men from previously disadvantaged backgrounds access to the excellence of a St David's education, grounded in its uniquely Marist philosophy and ethos.

As Trustees, we are deeply aware of our responsibility to manage the funds entrusted

to us by our donors in a judicious and prudent manner in line with their wishes. The Foundation looks to balance the commitment to sustainably grow and support the number of young men supported through bursaries with growing the capital base available. Our goal remains to realise annual capital growth in excess of inflation, with a view to making annual bursary awards to the School of between 4% - 6% of the Foundation's opening capital balance at the start of each financial year. This award, combined with donor-specific bursary funding, goes directly to the bursary costs of the identified recipients each year. In addition, donor-specific funding received towards other campus development projects are made to the School during the course of a year.

Through the Foundation's investments in the Centaur BCI Flexible Fund (Centaur Fund) and the Momentum Flexible Investment Fund (Momentum Fund) the underlying asset allocation comprises a diversified and balanced spread of South African listed and offshore equities, preference shares, cash, bonds and property. Approximately 60%

FROM THE CHAIRMAN

of the Foundation's funds are invested in the Centaur Fund, 30% in the Momentum Fund and the balance in interest-bearing money market deposits.

The year under review

The work of the Foundation continues to be essential to increasing access to a quality Marist education and growing an alumni of future leaders able to tackle the challenges of today and tomorrow, both locally and internationally. The Foundation proudly supported 22 Bursary Scholars in 2024.

St David's satellite campus in Alexandra township opened its doors in January 2023, with a Grade 9 year added in January 2024. Enrolment at the start of 2025 stands at 101, with the development and interest in the campus continuing to exceed expectations. The Alexandra campus is core to the future role that St David's believes it must play in advancing the educational interests in the country. It provides an innovative and scalable model to exponentially increase access to quality education, within a short travelling distance of communities' homes.

Through the generosity of our donors, the Foundation again built on the successful fund raising efforts in 2023 to receive its highest annual donor income, and making its largest annual award to date to the School during the 2024 financial year.

In reviewing the Foundation's activities for 2024 the following is worth mentioning:

- 22 young men were supported on bursaries in 2024 (2023: 24). Of these, five bursaries included the costs of boarding at St David's;
- the Foundation's fund-raising efforts raised a total of R13 510 575 (2023: R6 418 785). The Foundation's cumulative efforts over the 17 year period since founding to date have resulted in donations received of R52 591 718 (2023: R39 081 143);
- awards paid to the School amounted to R9 796 564 (2023: R8 039 884). This takes cumulative awards paid to the School over the 17 year period to R43 984 367 (2023: R34 187 803);
- the Foundation's capital, after expenses and awards to the School, increased by 25,58% to R50 615 306 (2023: R40 302 905) as at 31 December 2024;

FROM THE CHAIRMAN

- eight of the Foundation-funded bursary scholars matriculated at the end of 2024, achieving exceptional matric results; and
- the Foundation's cumulative income since inception amounted to R99 293 512 (2023: R77 780 804).

St David's first-ever Giving Day took place on 31 October 2024 raising R5.4 million towards the upgrade to the Prep and College Academic Wings and Science Labs, the St David's Bursary Fund and the St David's Discretionary Fund. In addition, supporting the further development of the School, the Foundation's philanthropic activities assisted in raising funding towards the installation of the St David's Memorial Pipe Organ. The commencement of the installation of the Pipe Organ in the Chapel of Mary was able to take place during 2024 thanks to the R622 500 generously donated through this campaign.

The Foundation's operational expenditure budget for 2024 amounted to R495 274, including an allocation utilised in support of fund-raising development and related

initiatives. The School continues to cover the majority of the operational expenses of the Foundation office, however, the Foundation contributes towards the salary and discretionary running costs on an annual basis. It remains our objective that 100% of donor funding go to the purpose for which it is intended, with operational costs being covered only by either specifically-allocated portions of grants or interest and dividend income.

In July 2024 the Foundation Trustees convened for a Strategy Session and determined that additional capacity for further expansion of the Foundation office should be explored in 2025.

The Foundation continues to work closely with the Old Boys' Association. Our gratitude to the Classes of 1971, 1972 and 2001 who made significant donations towards the development of the Alexandra campus. The official opening of The Maristonian, the home of the St David's Old Boys and gathering place of the St David's community, took place during the week of Champagnat Day in June 2023 and was made possible by R1 100 000 of funds raised through the Maristonian Project Fund held under the Foundation, with further

funding contributed in 2024 towards the Maristonian sound system. We thank the Old Boys for their ongoing philanthropic support.

Looking ahead

We remain steadfast in our goal to build on the achievements of the past eighteen years and further increase the number of young men who are supported on bursaries at St David's, at both the Sandton and Alexandra campuses. For the forthcoming 2024 year, the Trustees have resolved to make an award in the amount of R4 226 184 (2023: R3 582 710) to the School specifically for bursary awards. Including Marist Alexandra Social Compact Programme donor-specific funding of R2 021 500 and further campus project funding received, this commitment in aggregate at the time of this report amounts to R6 912 382.

The Foundation could not exist without the incredible support of our donors. As Trustees, we are humbled by your generosity, partnership and long-term commitment to furthering the Foundation's purpose. I extend our very deep gratitude

FROM THE CHAIRMAN

for every pledge, donation and bequest made by our donors over the last year - it is a privilege to walk and work alongside you in building hope and a future for our boys.

I would like to also make special mention of the significant contributions made by Lara Klement, the School's Head of Advancement, Fiona Budd, our Foundation Director and Moyagabo Motshekga, our Foundation Office Manager. Their selfless efforts, innovation and persistence resulted in record donations received in 2024, supporting multiple St David's programmes – a magnificent achievement. We thank the Foundation's accountants, Sergio and Vanessa Maraschin, as well as the Foundation's auditor Deidre de Meyer (DME Auditors), supported by Andrea Jordaan, for the professional manner in which they selflessly support these important functions for the Foundation.

To the School's Executive and Board of Governors, the Marist Schools' Council, the Advancement Office, the Marist Old Boys' Association and the rest of St David's Staff, thank you for your continued support of the Foundation, and caring for our boys. I thank my fellow Trustees for the time and resources they dedicate to the Foundation.

Simon Denny
Chairman

FROM THE HEAD: ADVANCEMENT

The Radical Power of Kindness

Over the past few years at St David's Marist Inanda, our Wellness Department has led several campaigns centred around one simple yet powerful value: kindness. These initiatives got me thinking—why do we need to run campaigns to encourage, and in some cases even teach, something as fundamental as kindness?

While we instinctively understand what kindness feels like, articulating it can be surprisingly nuanced. With a little help (ironically, from AI), here's one thoughtful definition:

"Kindness, at its core, means acting with consideration, care, and compassion for others, often without expecting anything in return. It's a quality of being gentle, helpful, and understanding—prioritizing the well-being of others and showing genuine concern for their needs and feelings."

Initially, I expected that reading more about kindness would lead me to uplifting, "feel-good" stories about humanitarian acts and their emotional impact. And while there is certainly no shortage of those, what truly surprised me was the growing body of scientific research on the subject. Kindness, it turns out, isn't just a virtue—it's also a powerful agent of healing and growth.

The Science of Kindness: A Powerful Panacea

From medical and psychological health to social wellbeing—and even financial resilience—kindness has been shown to offer both preventative and curative benefits.

FROM THE HEAD: ADVANCEMENT

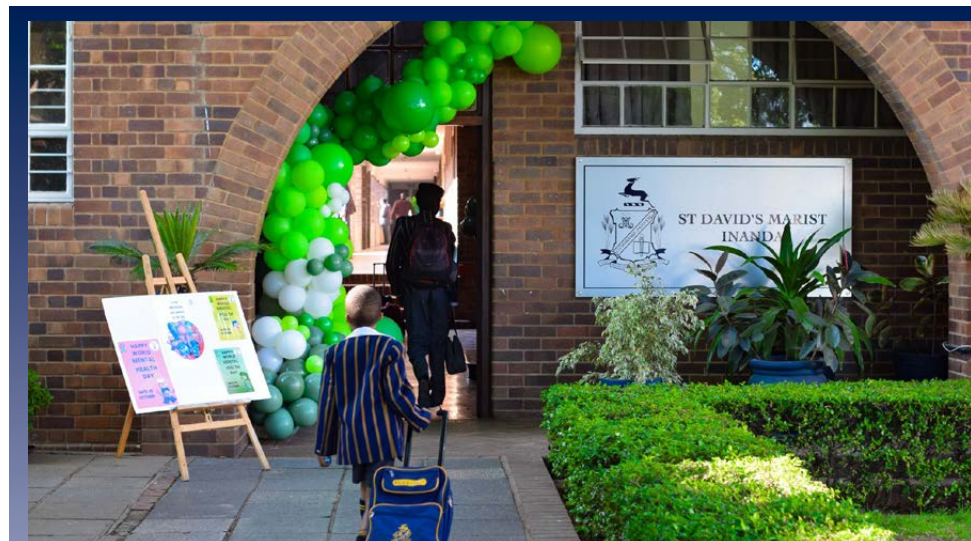

Medically, acts of kindness stimulate the production of oxytocin, the hormone that reduces blood pressure and supports heart health (Zak, 2005). Kindness also reduces cortisol—the stress hormone—and helps lower inflammation, contributing to improved immune function and reduced risk of chronic illness (Nelson-Coffey et al., 2017).

Psychologically, kindness enhances mood and increases feelings of purpose and connection. Studies show that those who engage in kind acts experience increased self-esteem, reduced anxiety, and lower rates of depression (Post, 2005; Curry et al., 2018).

Socially, kindness strengthens relationships and builds inclusive, cooperative communities. In schools, it creates safer, more trusting environments with less bullying and greater peer support. A 2012 study by Layous et al. found that prompting children to perform kind acts significantly improved peer acceptance and classroom well-being.

Financially, kindness pays long-term dividends. Research from Columbia University shows that for every \$1 invested in social-emotional learning (which includes kindness), there is an average return of \$11 in societal benefits, including improved education outcomes, better health, and reduced crime (Belfield et al., 2015).

In workplaces, cultures built on empathy and gratitude see higher employee engagement and productivity. Kindness, in other words, isn't just good ethics—it's good economics (Grant & Gino, 2010).

FROM THE HEAD: ADVANCEMENT

A Quiet Force in a Noisy World

In a world increasingly driven by the pursuit of power, status, and financial gain, kindness can feel like a soft whisper in a room full of shouting. But perhaps that's precisely why it matters so much.

Our global systems often reward self-interest over empathy, competition over collaboration, and profit over people. From politics to business to social media, the loudest voices are frequently those that push dominance, ambition, and accumulation. Kindness, by contrast, seems quiet—almost naïve. And yet, it may be one of the most radical, transformative forces we can offer.

Kindness challenges the belief that value is measured only in material terms. It reminds us that human dignity, connection, and compassion are ends in themselves. While power and wealth often divide, kindness unites. It acknowledges that every person, regardless of background or status, has inherent worth.

In schools like ours, this belief takes on urgent importance. We are not only educating minds—we are forming character. Our students will enter a world that measures worth in metrics, achievements, and margins. But what if we also equipped them with the courage to lead differently? To see kindness not as weakness, but as strength in restraint. Not as passivity, but as deliberate and powerful action in service of others.

Kindness is not incompatible with ambition or success. In fact, the most resilient organisations, strongest communities, and most trusted leaders are those who consistently show empathy and fairness. The business case for kindness is not just theoretical—it's proven.

A Foundation Built on Kindness

Thanks to your support, and kindness, the St David's Marist Foundation continues to support the vision, values and objectives of St David's Marist Inanda and of Marist education more broadly through the work outlined in this report. In its purest form, your support supports (and exemplifies)

FROM THE HEAD: ADVANCEMENT

our goal of building a culture where kindness is the standard, not the exception. Where generosity is not just a one-time act, but a way of being. Every donation is a statement that compassion matters—and that our values and mission are worth investing in.

Kindness teaches our students that success is not just about what you achieve, but also about what you give back. That how you treat others—especially those with less power—is just as important as how far you climb. This is the kind of world we're trying to shape. And this is the kind of leader we hope each child becomes.

So thank you. For believing in kindness. For investing in a different kind of power. One that uplifts, connects, and transforms—not just students, but communities and ultimately our country and our world.

FROM THE FOUNDATION DIRECTOR

*Hope lies in dreams, in the imagination,
and in the courage of those who dare
to make dreams into reality.*

Jonas Salk

Continuity + Consistency
=
Impact + Hope realised

How You Gave Hope in 2024

The consequences of hope not realised can be profound—psychologically, emotionally, socially, and even spiritually. Hope is a powerful driver of human resilience and purpose. When hope is repeatedly deferred or unfulfilled it leaves more than disappointment—it leaves disillusionment, fatigue, and the quiet erosion of possibility. Optimism may be replaced with scepticism and cynicism. People may stop trying, investing, or believing that change is possible. When communities lose collective hope—

especially in contexts like education, justice, or nation-building—it can fracture social cohesion. People may retreat into self-preservation and distrust rather than collaboration. Young people who inherit a world where past hopes were broken may struggle to imagine a different future. *"Hope deferred makes the heart sick." – Proverbs 13:12*

Hope is more than a feeling. It's the quiet flame behind a child's courage to dream, an educator (whether in the academic, sports or cultural fields) going more than the extra mile and a community's belief

in the future. Your giving turns hope into action, into opportunity and into futures reclaimed.

Building Bridges of Hope and Support

2024 was one for the record books for many areas of St David's, including for the St David's Marist Foundation. Thanks to our donors and partners 1 616 donations totalling R14 087 918, from 957 donors, were made to the St David's Marist Foundation, in support of St David's Marist Inanda. This Annual Report contains a full

FROM THE FOUNDATION DIRECTOR

list of our treasured donors, partners and supporters – St David's parents, Old Boys, staff, boys, past parents, corporates, private individual donors and local and international foundations and trusts.

Eight Foundation-funded St David's Bursary Scholars matriculated at the end of 2024, achieving exceptional matric results, on top of their already extraordinary College years and achievements at St David's, including St David's Head of School 2024 Fhatuwani Mudau.

A Timeline of Treasure

Below is an overview of some of the happenings, projects and programmes that were supported through philanthropic partnerships and donor funding to and through the Foundation during 2024:

- 22 St David's Bursaries were funded through Foundation general bursary funding and donor-specific funding, including corporates, trusts and private individuals (each bursary is structured according to the requirements identified by the School following a needs assessment)
- St David's Marist Inanda Alexandra – corporate, trust and individual donor funding supported further campus development (classrooms and IT requirements), set up and installation of the full IT framework and Social Compact Programme funding to support the education of 61 St David's Marist Alexandra scholars (2024: Grades 8 and 9)
- The St David's Memorial Pipe Organ installation in the Chapel of Mary was made possible through the funding of 21 donors

FROM THE FOUNDATION DIRECTOR

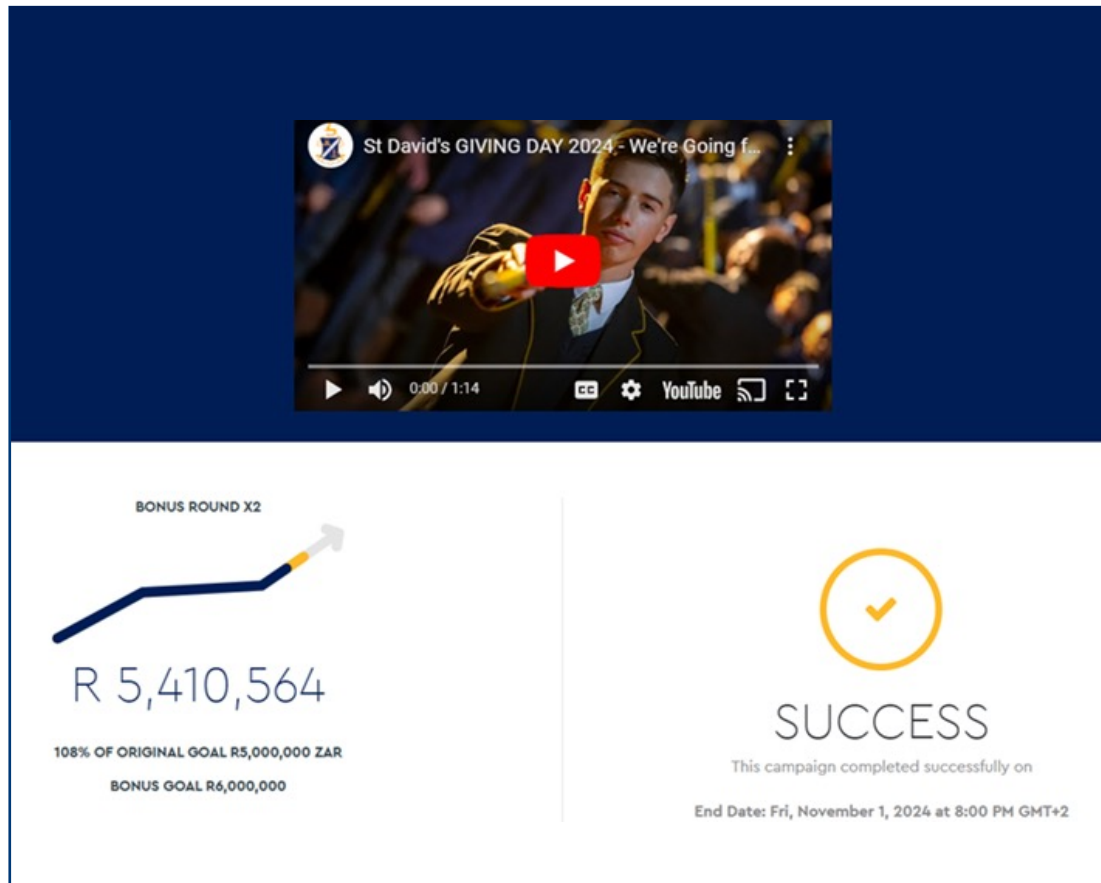

- The Maristonian: an anonymous donor funded the remaining Maristonian development costs and the Maristonian's sound system was funded through the St David's Arts Circle
- The St David's Aquatics Circle funded pool covers
- The St David's Marist Inanda Alexandra Sciences Lab was funded by Stefanutti Stocks
- St David's Marist Inanda Alexandra 23-seater minibus was funded by the Loyola Foundation USA and the ServeSA Trust
- Our first-ever cryptocurrency donations (two - totalling R2 986 824), in support of the Bursary Fund, were received through the international cryptocurrency philanthropy platform The Giving Block
- During 2024 40 St David's Staff donated on a monthly basis to the Staff Giving Fund, in support of any St David's boy in need
- The School-Days card programme continued – funds raised through the card are split between the St David's PTA and the St David's Marist Foundation Bursary Fund
- The St David's Swop Shop, run by the volunteer St David's Swop Shop Moms, was able to donate R330 000 in proceeds to the St David's Bursary Fund
- St David's first-ever Giving Day took place on Thursday 31 October and Friday 1 November 2024 (a St David's Advancement Office team effort and whole school effort). The three Giving Day funds for support were: Upgrade to the Prep and College North Wing (Academic and Sciences), the St David's Bursary Fund and the St David's Discretionary Fund, with R5 410 564 raised across the three funds. Some of the international donor funds are currently held in the St David's Marist Foundation UK Charity account (just over £5 000) and not included in the Foundation's final 2024 donations tally and recurring monthly donations will also continue into 2025
- Black Coffee's Charity Concert held on Friday 15 November at St David's, in support of the Black Coffee Foundation and the St David's Marist Foundation, raised R300 000 in support of the St David's Bursary Fund.

FROM THE FOUNDATION DIRECTOR

2024 Award:

The Foundation was able to award a total of R9 797 564 in funding to St David's Marist Inanda during 2024, covering bursaries, capital development and the Marist Alex campus.

FROM THE FOUNDATION DIRECTOR

2024 Events:

- The Foundation was the first education organisation on the DevMan platform to successfully complete the new IT3d process implemented by SARS in 2024 – this involves uploading all issued Section 18A donor tax certificates to SARS
- Fiona Budd (Director: St David's Marist Foundation) was a contributor to the CFO Q1 2024 magazine's special feature on new strategies for long-term sustainability for South African non profits
- On 5 June Lara Klement (Head: Advancement) and Fiona Budd (Director: St David's Marist Foundation) presented a Masterclass, as part of the International Fundraising Congress Pop-Up conference in Cape Town, on 'School Philanthropy and Fundraising Development – a marathon not a sprint'
- The St David's Marist Foundation's Business, CSI & Philanthropy Breakfast was held on Wednesday 17 July in the Maristonian, attended by 40 guests
- The St David's Marist Foundation Trustees held a Strategy Session on Saturday 27 July in the Maristonian to review the Foundation's strategy and progress and plan the next phase of expansion, with the Foundation having reached 'matriculation' age
- The St David's Marist Foundation 'Gathering of Stars' evening, held on Tuesday 1 October, brought together the St David's Bursary Scholars, the major Bursary Donors, the Foundation Trustees and the School Executive for an evening of connection and celebration

- Svend Littauer (Class of 1998 and St David's Marist Foundation UK Trust Trustee) spoke at the SA School Foundations' Forum November 2024 year-end session to discuss partnership opportunities for school foundations and alumni communities following his appointment as CEO of the South African Chamber of Commerce in the UK in September.

15 719

Unique donors from inception to end 2024:
2 056

Averaged-out donation:
R25 625 per donor

FROM THE FOUNDATION DIRECTOR

I extend our deep thanks and huge appreciation to all who have supported the St David's Marist Foundation in any way since its founding in 2006, and particularly during 2024. Since the founding of the Foundation eighteen years ago donor funding of just over R53 million has been given through the Foundation to support our beautiful 84-year old school and its young Marist men.

Each donation—regardless of size—is not just a financial gift. It's a message: **We believe in you.** It's a way of saying that the dreams of young people are not misplaced, that the work of educators and mentors is worth supporting, and that the St David's community believes in seeing hope fulfilled, not abandoned. When hope is honoured through action—through sustained partnership, vision, and generosity—it becomes transformative. It becomes legacy.

Thank you for keeping hope alive, not just in word, but in deed.

Thank you too to the wider Advancement Office team for their collaboration across

their areas of support at St David's – Carey Fisher-Gietzman (Marketing Liaison), Joe Kotwal (Old Boys and PTA Stakeholder Manager), Jordan Vos (Social Media and Content Creator), Luzette Rodrigues (Admissions Officer), Sithandwa Mzinyathi (Admissions Assistant) and Debbie Bartlett (Executive Administrator). Thanks too to retiring St David's Head of Business Mike Boden, incoming Head of Business Shaun Sutherland, Magda Ceruti (Operations Administrator), Siqamo Laphu (St David's Bursary Programme Coordinator) and Phumelela Dlamini (Senior Bookkeeper) and to Sergio Maraschin (Accvantage Solutions) – the Foundation's accountant – and DME Auditors – the Foundation's auditors. Thank you to the St David's Swop Shop Moms for their time volunteered in the St David's Swop Shop, with the proceeds from the Swop Shop year being donated to the St David's Bursary Fund

'To teach children you must first love them and love them all equally.'

FUNDS AND PROGRAMMES

The Funds of the Foundation

The Foundation can receive both restricted and unrestricted donations. Unrestricted donations are allocated and utilised at the discretion of the Trustees for the purposes that align to the mission and strategic objectives of the School; this provides important flexibility to the Trustees and the School Executive. Restricted donations meet the aims of donors who wish to direct their giving to specific projects or objectives.

A taxpayer making a bona fide donation in cash or kind to the Foundation (an organisation approved in terms of Section 18A of the Income Tax Act 58 of 1962) is entitled to a deduction from their taxable income of the amount donated and the Foundation issues the donor with a tax certificate entitling the donor to claim the donated amount as a deduction (up to 10% of taxable income).

Endowment Fund

The Endowment Fund is an investment Fund set up to provide long-term sustainable support to St David's Marist Inanda, as well as annual liquidity to support Foundation bursaries and projects if required.

Bursary Funds

Father Bernard Brewer SJ Bursary

The Father Bernard Brewer SJ Bursary Fund, named for a previous Chaplain of St David's, is the main Bursary Fund of the Foundation and allows St David's to support deserving boys with potential from previously disadvantaged backgrounds.

The Business in Education B-BBEE Bursary Fund

'Growing tomorrow's business leaders together'

The Business in Education Fund was created to enable corporate and business enterprises to partner with the Foundation through full bursaries to St David's to

FUNDS AND PROGRAMMES

realise measurable and quality education intervention programmes for identified learners from historically disadvantaged backgrounds. The introduction of the Revised Broad-Based Black Empowerment Codes of Good Practice created various opportunities through which corporate and business funders can benefit when making contributions to the St David's Marist Foundation. This ring-fenced fund is specifically designed to allow for the separate accounting and reporting process required by the B-BBEE Codes, to give corporate funders maximum scoring benefit in the SED (Socio-economic Development) and SD (Skills Development) categories.

Mizpah Bursary Fund

The Mizpah Bursary Fund ('Mizpah' is a Biblical term meaning 'words of blessing, protection and inspiration') was founded in August 2017 by a Bursary Recipient who matriculated at the end of 2017. His wish in founding the Bursary, with an initial R1 000 that he had raised through his own efforts, is that future boys in need will be

able to have the same opportunities that he received at St David's.

Staff Giving Fund

The Staff Giving Fund, donated to by St David's staff, supports any boy who may be in need at St David's with basic schooling items such as textbooks, uniforms, lunches, school tours, etc, and may also cover items such as proper sports kit, payment for extra-curricular tours, outings, medical treatment (for example, eye tests and glasses, dentistry), etc, where required.

Old Boys' Bursary Fund

The St David's Marist Old Boys' Bursary is awarded by the Marist Old Boys' Association either to the son of an Alumnus or to a candidate identified by the Association, to enable them to continue their St David's education.

Willy & Dorothy Castle Extramural Bursary

The Willy & Dorothy Castle Extramural Bursary, is named in honour of Willy Castle, and his mother Dorothy Castle, and awarded to boys who show promise in the areas of sport or cultural activities, whilst being able to maintain a solid academic standard.

Tertiary Education Bursary Fund

The Tertiary Education Bursary fund provides tertiary bursary support (following the approval of an official approach) for St David's past pupils wishing to pursue a teaching qualification or funding donated by specific donors towards their St David's bursary recipient's tertiary education requirements.

FUNDS AND PROGRAMMES

Family Funds

A Family Fund can be set up under the Foundation in memory of a loved one, in celebration of the blessings you have received as a family, as a family legacy at St David's or to make a difference in the life of a boy who would otherwise not have had the opportunity to attend St David's. Multiple family members and friends can contribute directly to the fund and benefit from the tax benefits, without the administrative burden or fiduciary responsibilities involved in establishing an independent family trust.

We sincerely thank our two Family Funds below for their support and contribution to St David's Marist Inanda:

Bindya and Manoj Chiba Family Fund

Established by the Chiba family in 2019 for the benefit of St David's Marist Inanda.

Lesedi Mooki Memorial Bursary Fund

The Lesedi Mooki Memorial Bursary Fund was established in 2024, in memory of the Mooki family's son.

Project, Facilities and Development Funds

The Foundation works with donors on funding support for St David's identified areas of development of the School facilities on both campuses, to enhance and support curriculum activities and enable students to experience an education at the highest level.

Capital and Campus Development Fund

Provides funding support for identified areas of development of the School's campus facilities, to enhance and support curriculum and extra-curriculum activities.

Cultural Development

Provides funding support for identified St David's programmes and projects to assist in developing and growing the cultural activity potential and ability of students to the highest level.

Sports Development

Provides funding support for identified St David's programmes and projects to assist

in developing and growing the sporting potential and ability of students to the highest level.

Maristonian Project Fund

The St David's Marist Foundation administered the receipt of funds and donations towards the St David's Old Boys' Association's Maristonian Project – a project which was realised in 2023/2024 with the establishment and development of a home base for the Old Boys' Association – the Maristonian.

FUNDS AND PROGRAMMES

St David's Marist Alexandra Project Fund

The St David's Marist Alexandra Project Fund was established in 2022 to support the phased building renovation and development of the new St David's Marist Alexandra satellite campus, which opened in January 2023.

St David's Marist Alexandra Social Compact Fund

The Social Compact model and programme is a three-way partnership between St David's (resources), corporate and individual donors (philanthropic funding) and the St David's Marist Alex parents (fees), with each party contributing one third of the total value of the St David's Marist Alexandra annual education cost.

Br Jude Pieterse Marist Alexandra Bursary Fund

To honour the legacy of Br Jude Pieterse, founding Trustee of the St David's Marist Foundation, who passed away on 12 December 2022, this bursary was established to support scholars attending the St David's Marist Inanda Alexandra satellite campus in Alexandra.

St David's Green Development Fund

This Fund supports environmental sustainability projects on the St David's campuses.

Leave a Lasting Marist Legacy through a Bequest

This Fund offers donors the opportunity to leave a Lasting Marist Legacy through a bequest to the St David's Marist Foundation. A bequest to St David's is a lasting investment and gift beyond a lifetime.

The spirit of Marist education has been shaping the lives of children for hundreds of years. A bequest to St David's ensures that this spirit will continue to bring quality education and an unforgettable schooling experience and preparation for life to all who pass through the gates of St David's.

A bequest to St David's may be for you if:

- You believe in the spirit of Marist education, would like to 'pay it forward' to others, and wish to ensure St David's long-term sustainability for generations to come
- Long-term planning is more important to you than an immediate income tax-deduction
- You would like the flexibility of a donation commitment that doesn't affect your current cash flow

Your attorney is best-placed to advise you on drawing up your will and how to leave a bequest to St David's.

ST DAVID'S MARIST FOUNDATION UK CHARITY

St David's Marist Foundation UK Charity

The St David's Marist Foundation UK Charity was established in 2009, as the UK Chapter of the St David's Marist Foundation.

In 2010, official registration with the UK Charities Commission was concluded, allowing the St David's Marist Foundation UK Charity to operate as an official charity and in 2018 the Trust's Gift Aid registration with HMRC was finalised, to take advantage of the various tax incentives applicable for donors under UK law. The UK Trustees continue to be committed to establishing a successful and vibrant UK chapter which will focus on strengthening the ties between the Marist diaspora, their South African 'brothers' and the Foundation.

Paul Clare (St David's Class of 1982) – Chairman UK

Svend Littauer (St David's Class of 1988) UK

Gianpaolo Pera (Class of 2000) UK

Simon Denny (St David's Class of 1994, and Chair of the St David's Marist Foundation) SA

Mike Thiel (St David's Executive Head) SA

SDMF UK Charity Foundation Manager: Fiona Budd

UK Old Boys' Fund (SDMF UK Charity)

The UK Old Boys' Fund supports the endeavours of the Foundation by raising funds to support bursaries, scholarships and projects as identified by the St David's Marist Foundation UK Charity Trustees.

St David's Giving Day 2024 UK support

During 2024 the St David's Marist Foundation UK Charity was the recipient and conduit of donations from UK-based Old Boys, past parents, past staff and friends of St David's, as part of St David's first-ever Giving Day. The UK Old Boys provided wonderful support in rallying international support for this very special 'first' for St David's, which raised a collective R5.4 million towards the upgrade to the Prep and College North Academic Wing, the St David's Bursary Fund and the St David's Discretionary Fund.

ST DAVID'S MARIST INANDA ALEXANDRA

A Campus of Hope and Restoration

Alex Campus

Inanda Campus

ST DAVID'S MARIST INANDA ALEXANDRA

2024 - the second year of the St David's Marist Inanda Alexandra campus – saw the addition of a new Grade to the campus (Grade 9) and the enrolment of 61 boys across Grades 8 and 9.

This fledgling campus, embodying the broader vision of St David's Marist Inanda to create a new education model, feels as though it has been part of St David's for much longer than two years. Perhaps it is because this campus was always meant to exist and has only been lying dormant like a seed buried beneath the soil until the right conditions existed for it to break ground, grow and flourish once again.

As with any new model and vision there have been challenges, but we knew when we started that through these challenges, we would find innovative ways to solve problems, and that in finding solutions and new ways of doing things that we would be creating and crystallising a new educational model and blueprint that can be scaled over time and that others can replicate. Our ideals in creating this model remain to accelerate access to quality education in support of not only our own mission as a Marist school, but in support of the UN Sustainable Development Goals, in particular SDG4, and the National Development Plan 2030.

61 boys on campus tripled the number of scholars from the founding year of the campus in 2023, offering the first step in testing our ability to scale the model effectively. It has been wonderful to have a fuller campus, with the sounds and activities of the boys filling the classrooms and corridors. The Grade 9 Pioneer group (or OGs - Original Gentlemen, as they like to refer to themselves) ably stepped up to set the tone and standard for the new boys coming in.

A Social Compact in Education – a new funding model

We knew that to achieve the vision of the St David's Marist Inanda Alexandra campus would require a new funding model – a three-way partnership between the Marist Alex parents (fees), St David's and donors and funders. We have been humbled by the positive response we have received from donors to this new funding model, and how they have understood and insightfully reviewed their funding strategies to allow for support for this new education model.

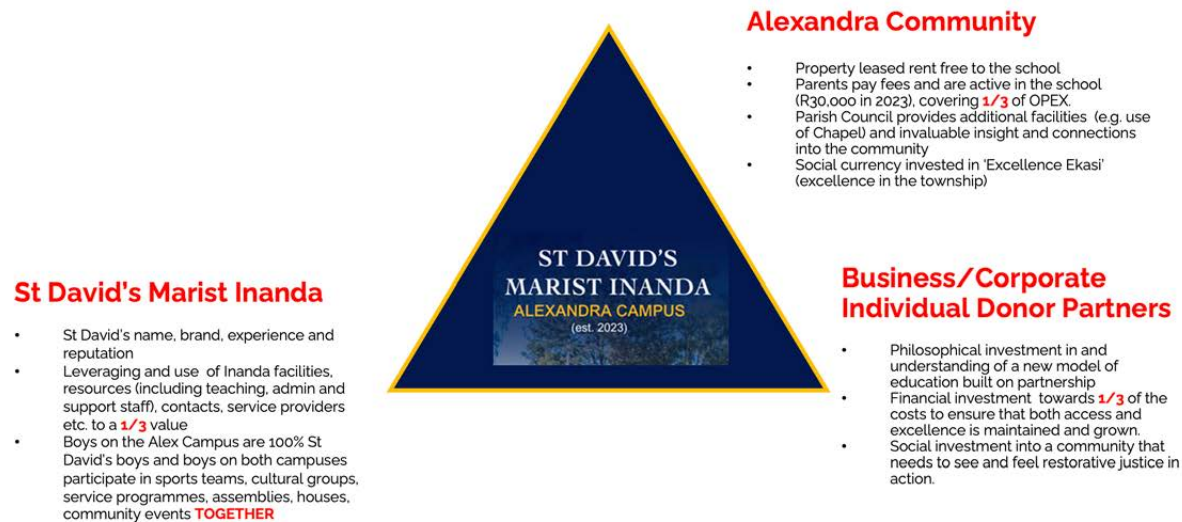

ST DAVID'S MARIST INANDA ALEXANDRA

Donor funding to the Social Compact Programme has allowed us to offer the level of education to the boys on our Alex Campus that is on par with the education on our Sandton Campus, through the sharing of teachers and resources across the campuses and allowing the Alex Campus boys access to the sporting and cultural offerings and facilities, as well as attending key social and educational events on the Sandton Campus. As we continue to develop the sporting and cultural facilities and offering on the Alex Campus, the boys will benefit even further in these core areas.

A SOCIAL COMPACT IN EDUCATION

FINANCIAL SUSTAINABILITY MODEL - THE POWER OF THREE

*An equal partnership where everyone has a **voice** and brings **financial and social value** to the table.*

Academic and Extracurricular Programme

We anticipated that our biggest challenge (but also our reason for undertaking this initiative), once we had opened our doors, would be on the academic front, with many of our boys on the Alex Campus coming from under-resourced primary schools and having large academic gaps in their learning. Boys also have to deal with a number of social issues prevalent in under resourced and financially disadvantaged communities that will inevitably affect their school performance. In light of this, we have been delighted with some of the results that the Grade 8 and 9 boys have achieved, including the following in Term 3 2024:

- A Grade 9 learner in the **Top 10 academically** across both campuses (164 boys)
- Isizulu Olympiad**
Gold Awards (+80%):
4 boys in Grade 8
1 boy in Grade 9
Diamond Award (above 90%)
1 boy in Grade 8 (93%, Placed in the top 15 nationally)
1 boy in Grade 9

ST DAVID'S MARIST INANDA ALEXANDRA

- An increasing number of excellent results in standardised and group tests in both Grades.
- A consistent increase in Grade averages from Grade 8 to Grade 9, with a 54% average in English for Grade 9 - a positive indication of an upward trajectory, and a 3% improvement even from the 1st Term to the 3rd. This is a good reflection of the work that teachers have put in to drive these boys to start applying themselves with greater precision, and the boys' responding to the expectations placed upon them.
- **Top learner's mark in English:**
Grade 8 - 62%
Grade 9 - 76%
- **Top learner's mark in Maths:**
Grade 8 - 58%
Grade 9 - 78%

Certificates of Achievement

ST DAVID'S MARIST INANDA ALEXANDRA

These are some achievements earlier in 2024:

Academic Excellence in Grade 8 Term 1 - 2024

14 boys advanced to the second round of the National Isizulu Olympiad.
 In Geography, 3 boys achieved an average of 75%+
 In Isizulu, 3 boys achieved an average of 75%+
 In Life Orientation, 6 boys achieved an average of 75%+
 In History, 20 boys achieved an average of 75%+
 2 boys took part in the National Computer Olympiad

Academic Excellence in Grade 8 Term 1 - 2024

11 boys advanced to the next round of the National Isizulu Olympiad
 In Isizulu, 6 boys achieved an average of 75%+
 In Mathematics, 1 boy achieved an average of 75%+
 In Physical Science, 1 learner achieved an average of 75%+
 In History, 3 boys achieved an average of 75%+
 In Life Orientation, 1 boy achieved an average of 75%+

As can be expected, it takes time for the boys to adapt to the increased expectations in all areas. It is an ongoing priority to acclimatise the boys to the Marist ethos and culture of excellence, and to offer the support needed to fill learning gaps, teach the necessary learning and life skills, and build the boys' confidence and belief in their ability to achieve their potential.

One of the most important skills required for academic success is that of comprehension of English, which affects almost all aspects of academic learning and even social interactions, and this is an area that has needed focused intervention. The following was put in place this year to address this and other learning and social issues:

- Reading has been prioritised and the appointment of a Reading Specialist has already had an impact.
- Academic enrichment and support has been put in place after extensive discussions.
- Our Wellness Department (including psychologists and a social worker) have added further support.
- External educational psychologists and therapists have been consulted and boys referred for various testing.
- A more structured tutor system has been put in place on the Alexandra campus to offer all the boys, especially those struggling academically, more support and guidance.

Early morning Maths Consolidation Lessons

ST DAVID'S MARIST INANDA ALEXANDRA

- A separate venue for examination and test support was in place for the final standardised tests and exams and will continue for all such assessments.
- Engagement and workshops with parents to ensure that they too understand the expectations and their role and involvement in assisting their boys achieve their potential. Parents are encouraged to play an active role, and to engage with the school if there are queries, concerns or suggestions. Our Social Compact Model requires not only that parents pay fees, but that they have an empowered voice in this relationship. Our Wellness Department continues to add support for parents in this regard.

Sport can be both a social leveller and a great strengthener of social cohesion - something seen so powerfully once again

Basketball and Soccer Tournaments

during the most recent Rugby World Cup. The Alex Campus boys have thrown themselves into the extra-curricular programme, with boys playing in teams across the sporting spectrum and taking up key positions in sports teams and cultural group activities. The most heart-warming aspect is how the boys across the two campuses have integrated in these teams and activities, and how the talent of the Alex Campus boys has been embraced and celebrated. Equally, the Alex Campus boys have been motivated and inspired by the talent, commitment and dedication of the older boys who play/participate at 1st team level, with a number of boys verbalising that their goal is to play in the 'black and gold' (St David's 1st team colours). There is no doubt that talent exists in our Alex Campus boys in abundance, and having the opportunity to participate and thrive under quality coaches, means that many of the barriers to success have been removed and with hard work and determination, the sky is the limit. Boys from the Alex Campus have captained U15D, U14 B and U14 C Rugby

ST DAVID'S MARIST INANDA ALEXANDRA

Choir Festival

teams, and U14 A, U14 B, U14 C Soccer Teams. One of the boys has been selected for the Gauteng Schools Basketball team which will compete at the National School Sport Championships in December.

Motivational talks have further ignited passion and belief in many boys, which is evident by the attendance at morning and afternoon gym sessions on both campuses, break time games, basic skill practice and the attendance at pre/post season training sessions. A small group of boys have been part of touring teams to out-of-province festivals and tournaments, and the broadness of exposure that these tours bring is an important part of our educational

offering. The funding built into our Social Compact Model and Fund makes these types of experiences and opportunities possible to any boy who is chosen to be part of a touring team.

Swimming and water safety remains a priority. At the beginning of 2024 the St David's Aquatics team undertook an assessment of the Grade 8 boys, identifying that most were not able to swim. The Aquatics team is addressing this through the Learn to Swim programme, with the aim to have all our boys proficient. We look forward to the day when we have all boys from the Alex Campus not only able to

Chess Tournament

Boys participating in our St David's Giving Day - the next generation of Philanthropists

swim but with some being part of our A and B Swimming and Water Polo teams, which will be an indication of exceptional progress in this regard.

A number of learners are also representing the school in other extra-curricular activities including choir (chamber choir and Gwijo choir) public speaking, and one learner is

ST DAVID'S MARIST INANDA ALEXANDRA

Hockey Practice

already representing the school on the first Chess team. Considering that he is only in Grade 8, we look forward to him captaining a school team at a national tournament in future years.

Boys also received certificates in the 3rd term of 2024 for:

- 1 boy achieved his Confident Kids Speech and Drama Diploma
- 3 boys achieved their Trinity College of London, Grade 4, Communication Skills certificates, all with distinction (above 85%)
- 12 boys achieved their First Aid, Level 1 and Level 2 Certificates, CPR for Adults, Children and Infants

Boys giving tours and demonstrations on Open Day

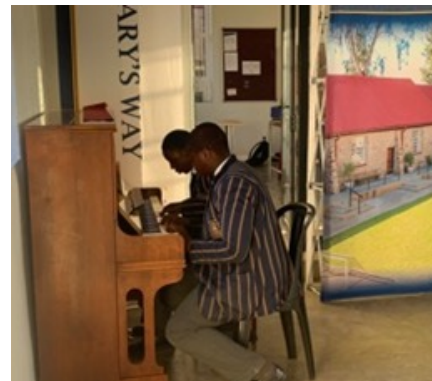

Reading in Mass

Public Speaking Event

The start of the Music programme on the Alex Campus - boys performing in assembly

ST DAVID'S MARIST INANDA ALEXANDRA

Grade Camps

An important part of our St David's experience is that of Grade camps, particularly the Grade 8 camp at the start of the year and the Grade 9 'Camino', a 10-day journey 'into the mountains' where the boys experience a range of outdoor activities. The intention of the 'Camino' is as much to journey in nature as it is to 'journey into and with oneself' – for the boys to discover and explore new aspects of themselves, to push themselves to try new and challenging things and to spend time in quiet reflection without the 'noise' of the city and being constantly connected. Our Grade 9 Alex boys participated in the Camino this year, for many the first time they had camped or adventured outdoors. As with many of the boys (this year and in the past), the boys found the Camino challenging but incredibly fulfilling and enriching.

Boys from both campuses on the 'Camino'

Boys from both campuses on the 'Camino'

Our 2025 Grade 8 boys will be also attending the Grade 8 camp at the start of 2025. This camp has a focus on building a sense of belonging in the boys, and plays an important role in introducing the boys to St David's and to each other. It is a chance for boys to make form friendships, and to get to know their Matric leadership group as well as for House Directors to get to know the boys in their Houses.

ST DAVID'S MARIST INANDA ALEXANDRA

Cross Campus Initiatives and Community Engagement

Cross-campus initiatives play an important part in building this new educational model and in breaking down social barriers and perceptions. The boys from the Sandton Campus have had numerous opportunities to visit the Alex Campus, both voluntarily for Community Engagement initiatives and for compulsory Grade events, where the full Grades have spent time together in Alex.

Since opening the Alex Campus, St David's, under the leadership of St David's Director of Community Engagement and Outreach, Mr Claudio Marangoni, has been able to increase community engagement initiatives substantially. Each week, boys from both campuses visited the Alexandra old-age home and nursery school, bridging together different generations with play, smiles, and care. 29 weeks of presence has left an imprint on hearts of both the young and old, showing that the simplest act of just being present can bring joy to others. During three days

of holidays, many hands transformed an abandoned room and the kitchen at the pre-school into vibrant areas of colour and hope.

St David's also adopted MC Weiler, a primary school in Alex as their Pad Princess partner, delivering 3500 packs of sanitary pads over ten months, every month, and quietly supporting the lives of 230 girls. This initiative is an important one for the boys to understand challenges that girls experience, especially in under-resourced communities and also for the destigmatisation of menstruation amongst boys and men. A St David's Civvies Day funded a further 90 sets of reusable pads for Grade 7 girls—an investment in dignity and their future schooling. The boys also participated in several other community upliftment initiatives, including inter-school events with peers from Kingsmead, Roedean, De La Salle Holy Cross and Marist Brothers Linmeyer. From cleaning rivers, to making soup, to Qrate workshops (a nonprofit focused on edu-liftment through enhancing critical thinking skills), to playing with children at Maria Kloppers, to painting at Lourdes Primary in Soweto, the boys were able to have a significant impact, and engage with societal issues and needs. The boys have also volunteered at and supported various initiatives, including ice-lolly sales at derby days and markets assisting in getting closer to purchasing the industrial washing machine for the Alexandra old-age home. They have also donated towards and packed 3300 bags of soup for vulnerable communities, 80 care packs for

ST DAVID'S MARIST INANDA ALEXANDRA

the elderly residents and supporting staff in Alexandra, two tonnes of old clothing for educational toy-making workshops, and 106 pairs of shoes for Sole 2 Sole, amongst several other initiatives.

Our community engagement team welcomed **Kingsmead College**, Roodean School, De La Salle Holy Cross at our Alexandra Campus for an interschool community service and engagement day. The students prepared soup for a soup kitchen, designed a colour mural and did some planting at the home for the elderly. We are ever so grateful for the opportunity to serve our community. [#stdavidsmaristinanda](#)

Campus Development

camp at the start of 2025. This 2024 saw a number of developments on the Alex Campus, the two most significant being the installation and coming online of a full IT infrastructure framework to support the educational, administrative and security needs of the campus - funded by Investec Bank Ltd CSI. This has had a major impact in a number of areas, also making remote teaching from the Sandton campus possible where needed and allowing a number of exciting initiatives to take place, including an online exchange with a Marist school in Spain. Access to knowledge and networks through the internet is vital in this digital age, and having stable and uncapped wifi connectivity plays an important role in the both teaching and learning.

Official Opening of Stefanutti Stocks Sciences Laboratory

The second exciting project was the installation of a state-of-the-art Sciences Laboratory, funded by Stefanutti Stocks. This laboratory has and will continue to make a significant difference to the quality of teaching and learning in the Sciences, allowing boys to have practical, hands-on

ST DAVID'S MARIST INANDA ALEXANDRA

experience in both Physical and Natural Sciences - a key indicator of success in these subjects.

The installation of an inverter, solar panels and back-up water tanks has allowed for education to continue relatively uninterrupted this year, and our plan is to become more self-sufficient and 'green' over time. The drilling of a borehole is an option currently being explored.

A few smaller, yet impactful developments included the donation of funding for a mini-bus (Loyola Foundation USA and ServeSA Trading (Pty) Ltd) which has been incredibly valuable in the transporting of boys between the two Campuses.

The equipping of a small gym and the introduction of a gym programme has been very well received by the boys. The opening of the school tuckshop was perhaps one of the most exciting developments for the boys!

Blessing of the St David's Marist Inanda Alexandra campus bus

The Marist Alex gym

Into the future ...

Of importance has been the appointment of a full time Headmaster on the Alex Campus from 2025, in the person of Mr Lewis Manthata. Lewis is a seasoned academic and educationalist, having worked as a history teacher, and in various leadership positions at St John's College, St Andrew's College Makhanda and most recently as Deputy Head of Student affairs at St David's. We have no doubt that under Lewis' leadership, the boys and staff on The Alex Campus will thrive.

2025 is an exciting milestone year for the Alex Campus, as the Pioneer boys enter Grade 10. This means that boys will have chosen their set subjects that they will take through to Matric. This will be yet another year of growth as three grades across Grade 8 to 10 are navigated, together with an increased number of staff. We are very pleased with the intake for Grade 8 2025, which will take the enrolment to over 100 boys across the three grades.

ST DAVID'S MARIST INANDA ALEXANDRA

A number of campus development projects are on the cards for 2025, thanks to our generous donor organisations and individuals. Funding has been committed by DN Invest for an IT Centre, which will be equipped to teach both IT and CAT from Grade 10 upwards, as well as to teach coding, robotics, and IT literacy to the Grade 8s and 9s. This Centre will be instrumental in teaching our boys both basic and advanced skills needed to navigate and thrive in the 21st Century.

Funding has also been committed by Sabvest for further classroom upgrades and by a private funder towards music development. Development of sporting facilities is also currently under discussion.

All of these developments will add significantly to the quality of education and experiences that our boys on the Alex Campus will enjoy. We believe that if our boys and families intrinsically have a sense of self-worth, that this will be the greatest gift that we can give them, as from this will stem all other success and fulfilment.

There are thousands of young people in our country filled with latent potential but no opportunity to realise it. We hold the key, and partnerships like the one between St David's Marist Inanda and organisations, businesses and philanthropic individuals has the potential to unlock the door. We

ST DAVID'S GIVING DAY 2024

St David's first-ever Giving Day was held on Thursday 31 October and Friday 1 November 2024.

We thank our St David's community for coming together so beautifully in support of the St David's Giving Day, and for meeting and exceeding the fundraising target set of R5 000 000!

The purpose in hosting St David's 'Going for Gold' Giving Day, as with all of our philanthropic fundraising initiatives at St David's, was to support the mission, vision and strategic objectives of the School and to impact the lives of the boys (current and future) who attend St David's Marist Inanda across both campuses. The project options for giving were primarily in support of two areas which support St David's strategic objectives as a Marist school of providing both excellence and access: the upgrade of the Prep and College Academic North Wing, including Sciences Labs, and the St David's Bursary Fund, which provides the opportunity for talented youngsters from financially disadvantaged backgrounds

to attend St David's. The third option for support was the St David's Discretionary Fund, for the School to utilize according to need.

Preparations for St David's Giving Day began in March 2024. Undertaking such an initiative for the first time, especially one of this scale, requires buy-in and trust from those within and associated with the School. Having this buy-in, trust and ultimately, the support from the Board of Governors, the Foundation Board of Trustees, the Executives of the Prep and College, the PTA, the Old Boys' Committee and the St David's Marist Foundation UK Charity Trustees was invaluable and sincerely appreciated. Many of the above were actively involved individually too, leading by example through pledges, donations, speaking in the St David's

Going for Gold

Giving Day videos and further encouraging St David's community engagement. The Giving Day core team comprised the St David's Advancement Department: Lara Klement (Head: Advancement), Fiona Budd (Director: St David's Marist Foundation) and Moyagabo Motshekga (Foundation Office Manager), Joe Kotwal (St David's Stakeholder Manager: PTA and Old Boys), Carey Fisher-Gietzman (Marketing Liaison) and Jordan Vos (Digital Content Manager).

An important factor in being able to achieve the Giving Day goal was being able to secure half of the ultimate target of R5 000 000 in matched funding before going 'live' on 31 October and 1 November. We are incredibly grateful to our Matched Funders listed at the end of this report for their generous support. This funding allowed us to inspire our broader community to donate on the basis that their donation would be matched, thereby doubling their donation.

Many of our St David's community in key areas, such as the College and Prep House Directors, PTA, Class Moms and Old Boys, took up the challenge of forming Teams, challenging

ST DAVID'S GIVING DAY 2024

Going for Gold

and inspiring those in their circles and networks to get involved. These team leaders and 'cheerleaders' were invaluable in building up the 'gees' (spirit) and getting the word out. A number of parents and staff also joined us in the Maristonian over the two days, and were amazing in promoting our Giving Day. We are so grateful for all your support! Our Executive Head, Mike Thiel, was placed in Whatsapp 'jail', temporarily for the number of calls and whatsapps he made to rally support for St David's Giving Day!

The Giving Days on 31 October and 1 November were a whirlwind of activity in our Giving Day HQ in the Maristonian, filled over the two days with boys, staff, parents, and Old Boys. Many took a turn on the phones, and it was very sweet observing some of the boys trying to figure out exactly how an 'old school' handset works. The boys took on the task with enthusiasm: the little Mini Marists (who had received prior permission from their parents) bravely phoned mommy, daddy, granny or uncle

- to hear these little boys put into their own words why their family member should donate money to their school was incredibly heartwarming. The Prep boys were a little more confident in their calls, and took it in their stride when mom or dad asked a few more questions before agreeing to donate, and ended their calls with a quick 'thank you, love you'. Our College boys from both campuses truly 'took courage' and were the major force in not only contacting their own families but in manning the phones and calling Old Boys and past parents on the St David's database. Speaking proudly and passionately about their school and the Going for Gold initiative, they inspired many to make a donation, big or small, and were very convincing in securing donations for their own House! To watch them cheer in delight when a donation popped up on the screen from someone they had contacted, or when a significant milestone in donations was achieved was tremendously heartwarming.

The St David's Spirit drum was also sounded when significant milestones were achieved.

We were truly in awe of our boys over those two days, with many coming back every chance they got to make further calls, and we could not have done it without them – they were the heartbeat of the Giving Day.

We believe that the experience was invaluable for the boys, besides practising some valuable life skills. Being a part of something bigger than themselves and seeing the power of a community coming together where every contribution (in time, money or goodwill) plays a part in the overall success, is a powerful learning experience. We believe that through these experiences, we are nurturing the next generation of philanthropists and active social citizens.

The support of the St David's staff was key to the success of St David's Giving Day, and we are grateful to every staff member who walked the journey with us, giving advice and helping us to put together a plan-of-action to involve the boys, ensuring the boys were where they needed to be at the correct

ST DAVID'S GIVING DAY 2024

Going for Gold

times, encouraging and assisting boys where necessary and getting actively involved in the phonathon themselves.

The above gives a small indication of the time, goodwill and energy that went into making St David's first-ever Giving Day possible, and how generous people were in this regard. We were completely blown away by the response from our community - by the end of the two Giving days, R4.5 million had been raised. Additional donations continued to come in over the next couple weeks, including a number of off-line conversations that had been taking place, initiated by passionate members of the St David's community within their extended networks. During this time a major donation of \$50 000 was confirmed in support of St David's Giving Day, taking the donations total to well over the initial R5 000 000 target. We extend our huge thanks to the parent who initiated and facilitated this donation, and took us well over the line.

Our sincere thanks to Akiva Carr and the Charidy platform, who hosted and guided our Giving Day.

MEET THE TRUSTEES

HONORARY PATRON

Brother Jude Pieterse
(1939 – 2022)

Br Jude Pieterse was a founding Trustee of the St David's Marist Foundation

Simon Denny (Chairman)

Simon Denny is the CEO of Goldman Sachs in South Africa. Prior to joining Goldman Sachs, Simon was Co-Head of Banking for Africa at Barclays and before that Head of Corporate Finance for South Africa and a member of the South Africa Executive Committee at Deutsche Bank. Simon matriculated from St David's in 1994, and holds BCom, BCom (Hons) and LLB degrees, and is a qualified chartered accountant. He previously served as a Trustee of the Old Boys' Bursary Fund, and on the Committee of the Old Boys' Association. Simon was elected as Chairman of the St David's Marist Foundation in May 2022 and has been a member of the Board of Governors of St David's since 2019. Simon is a passionate Old Boy, committed to giving back to his alma mater through service and philanthropic endeavours.

Tyson Sithole (Vice-Chairman)

Tyson is currently employed at Standard Bank as an Executive in the Structured Capital team within the Investment Banking Division. His focus is providing clients with equity financing solutions across the continent covering multiple sectors including TMT, Energy, Real Estate and Diversified Industrials. He joined the bank in 2013 on the Corporate and Investment Banking graduate programme. Tyson matriculated from St David's Marist Inanda in 2007 and was the recipient of an academic bursary from the school in 2003. He obtained specific honours for Academics and General Honours in his final year. Tyson was also a College Prefect and Deputy Head of House. In Matric, Tyson was awarded a Gallagher Scholarship for his tertiary studies. The scholarship is awarded to five

students in South Africa on an annual basis to attend the University of Cape Town. He holds a Bachelor of Business Science degree with honours in Finance from UCT and has completed the Senior Leadership Development Programme at UCT Graduate School of Business. He is currently completing his Executive Master of Business Administration. Tyson is also a Trustee and the Chairman of the Temba Bavuma Foundation, which seeks to empower children from previously disadvantaged backgrounds through sport and education. He also serves as a non-executive director for a number of unlisted companies.

MEET THE TRUSTEES

Brother Fortune Chakasara

Br Fortune is a Child Rights and Child Safeguarding Expert and current Superior of the Rondebosch Marist Community, Cape Town. He is also the former Chairperson of the Marist Schools Council governing body group, the chair of the Child Safeguarding Commission in the Marist Province of Southern Africa (Malawi, Mozambique, Zambia, South Africa, Angola and Zimbabwe), and a technical team member of the Catholic Education Board of the Western Cape in South Africa. In addition, Br Fortune is the Marist Province Link of FMSI (Foundation for Marist International Solidarity) – a Marist NGO that focuses on child rights and safeguarding where he serves as a board member responsible for Child Rights and Child Safeguarding formation in the region of Africa. He is a member of the Marist Custodians in South Africa (a group that looks at the Brothers' Patrimony in South Africa) and a technical team member of the International Commission for Child Safeguarding and Sexual Abuse for the Institute of the Marist Brothers in Rome, Italy (which works as an advisory board to the General Council of the Marist Brothers).

Tony Chappel

Tony matriculated at Christian Brothers College in Springs. He is a B.Com LLB graduate from Wits University. He is a practising attorney and has spent his professional life at Norton Rose Fulbright (previously Deneys Reitz), where he became a partner in 1987. He retired from full-time practice at the end of 2021 and moved to Hogsback in the Eastern Cape. He continues to consult to the firm, but is mostly concentrating on enjoying life. Tony is married to Helen. They have five children: their two sons were educated at St David's. Tony is a past Chairman of the Board of Governors and a founding Trustee of the Foundation

Conor McFadden

Conor matriculated from St David's in 1991 and holds a BA, LLB, HDip Company Law and LLM (Tax) from the University of the Witwatersrand. He is a practising attorney and a partner at Fasken, an international business law firm. He specialises in corporate tax and mergers and acquisitions. Conor is married to Wendy and they have one son who is at St David's.

MEET THE TRUSTEES

Darrell Caister

Darrell is an Old Boy of St David's and was the 1986 Head Boy. Darrell previously served as Chairman of the Old Boys' Committee on numerous occasions, and as Vice-Chair of the Committee. He studied law at the University of Natal and currently serves as a trustee on numerous funds, acts as a director, and is a shareholder in various companies. Darrell has recently retired and with his wife Jacqui and they have relocated to St Francis Bay. Darrell has four children and a grandson – his two boys were both schooled at St David's from Gr 0 to Gr 12.

Heather Irvine

Heather Irvine matriculated at Marian College Linmeyer (now Marist Brothers Linmeyer) and is an admitted attorney and a partner in the Competition Practice of Bowmans in Johannesburg. She holds a BA degree (cum laude) from the University of the Witwatersrand, as well as an Honors degree in English Literature (first class) and an LLB (magna cum laude) from the University of Cape Town. She has been recognized by top legal publications such as Who's Who Legal and Chambers Global. Heather is passionate about community projects that benefit poor members of the local community and at the same time, protect and enhance the natural environment. She actively supports several animal charities. Heather is the proud mother of Matthew (age 10) who is currently in Grade 5 at St David's.

James Thorne

James is a senior investment banker based in Absa's London office since August 2024, where he is part of the Investment Banking Origination team. His work focuses on originating and executing mandates across mergers and acquisitions, equity capital markets, and broader capital raising, with a focus on Africa. A qualified Chartered Accountant [CA(SA)], James began his career at Absa, where he completed his accounting articles. He attended St David's Marist Inanda for 13 years, matriculating in 2011. In 2007, he was awarded an academic scholarship upon entering high school. James went on to complete a Bachelor of Business Science in Finance with Accounting at the University of Cape Town, followed by a Postgraduate Diploma in Accounting.

MEET THE TRUSTEES

Batana Vundla

Batana is a St David's Old Boy (Class of 1996) - he began his schooling at St David's in Grade 0 and he matriculated in 1996. Batana followed in his family's footsteps and forged a career in film and television. Vundla's grandfather, Ephraim Batana Tshabalala, owned a cinema in Soweto, the historical Eyethu Cinema, which is where Batana fell in love with cinema and theatre. The highlight of his career was being nominated for a South African Film and Television Award for Kiep Kiep and Sporro — a social satire animation which he wrote and produced. He was the co-ordinator and co-producer of Inxeba (The Wound) which won the 2018 Best South African Film Award (SAFTA) as well as countless other international accolades, including being chosen to be South Africa's entry for the 2018 Oscars. Batana has recently been made a director of a non profit organization 'Eyethu Republik' a film, education and content-makers hub based in Mofolo, Soweto.

Dr Mark Bussin (*ex officio* - Chairman of the Board of Governors)

Mark is the Chairman of the St David's Board of Governors and has served the Board for several years. He holds a D.Com, is passionate about education, and supervises Masters and Doctoral students. Mark is the Chairman of several Boards, remuneration and audit committees, and is a Professor at UJ, Adjunct Professor at UCT, Research Associate Professor at GIBS and Professor Extraordinaire at NWU. He is married and has 4 children - one son has passed through St David's in 2014 and one son joined the Mini Marists in 2017.

Mike Thiel (*ex officio*- Executive Headmaster)

Mike joined St David's as Headmaster of the High School in January 2014, and took on the additional role of Executive Headmaster in 2015. Educated at Christian Brothers' College, Kimberley and the University of Cape Town, Mike has since been headmaster at St Patrick's CBC Kimberley, Clifton College, Durban and the Dominican Convent School in Johannesburg inner-city. Mike believes strongly in the role of independent education to transform South African society and is committed to innovative educational structures to achieve this, with the work of the Foundation being critical to do this in the St David's context. Mike is married and has four children from ages 26 to 13, with whom he enjoys time away in the bush, at the beach and reading.

MEET THE TRUSTEES

Nick Clogg
(*ex officio* -
Head: Prep)

Having matriculated at St Andrew's College in Grahamstown, Nick completed his studies at Rhodes University in 1993 majoring in History, Politics and Economics. He entered the teaching profession in 1997 where he has taught at St Peter's Prep School, St Andrew's College and St David's Marist Inanda. Having spent the majority of his teaching career in the College space, he changed direction and was appointed as Headmaster of the Prep School. He is passionate about educating young people focusing particularly on the whole educational journey and especially on building self-confidence and relationships.

Lara Klement
(*Head:*
Advancement)

Lara completed her honours degree in Social Work in 1993 and worked as a counsellor before starting her own businesses in 1999 - a marketing consultancy and an education and training consultancy specialising in working primarily with schools but also with corporate clients. Lara was appointed as Foundation and Marketing Manager after working with St David's as a marketing consultant. This position has evolved into that of Head: Advancement, a position Lara has held since the start of 2014. She is married with 2 children, and is passionate about people, education and making a meaningful difference to the country.

Fiona Budd
(*ex officio* - Foundation Director)

Fiona trained in Durban and at the Royal Ballet School in London, UK, dancing professionally with PACT Ballet for seven years. In 1997 she joined Mercantile Professional Banking before returning to the ballet world and becoming one of the six Founder Members of The South African Ballet Theatre (now Joburg Ballet) in 2001. She was a member of the Executive Committee and danced as Senior Soloist before ultimately taking the reins as Managing Director. In 2011 she was selected as one of the first ten South African Volunteers on the Vodacom Change the World Programme, placed at the Sandton SPCA (Fundraising and Marketing). In 2012 she joined Charities Aid Foundation Southern Africa - now the Southern African Philanthropy Foundation (a non-profit working to facilitate giving, philanthropy, social investment and volunteering between corporates and nonprofits) as Business Development Manager and presented on behalf of CAFSA at the international WINGS Philanthropy Conference in Istanbul, Turkey, in March 2014. She joined the St David's Marist Foundation in October 2014. It is her great joy to be able to connect with like-minded and -hearted people, working together for the greatest good of our boys and our country.

FOUNDATION OFFICE

Foundation Office: Moyagabo Motshekga (Foundation Office Manager)

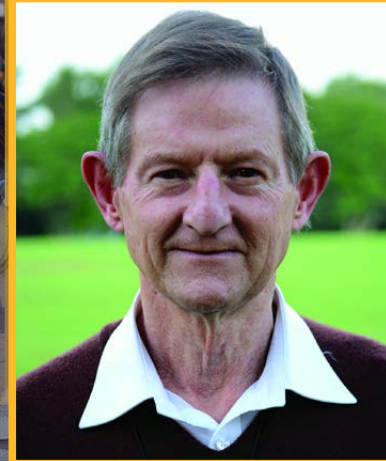

Moyagabo completed a National Diploma in Public Relations Management at UNISA in 2014. Prior to this she had volunteered at Child Welfare Tshwane for a few months before being offered a position with them. This work experience opened the doors for Moyagabo to grow her career in the Non-Profit sector as a Fundraiser, before moving to work for Doctors Without Borders. After leaving Doctors Without Borders Moyagabo worked as a Career Centre Officer at Rosebank College in 2018. From there she went on to work at Legal Resource Centre before joining the St David's Marist Foundation in January 2022.
